

Waivers for Practicing APRNs Effective April 1, 2020 – May 15, 2020:

- Geographic Area Waiver: Waives the 75 miles geographic proximity rule for APRN in a Collaborative Practice Agreement. This allows APRN and Physician to practice greater than 75 miles apart if needed. Originating Regulation: [CSR: 22004.200\(2\)\(B\)\(2\)](#)
- Chart Review Waiver: Waives the collaborating physician review requirements of 10% of the APRN's patient's charts every 14 days. This waiver *does not* include the review of the percentage of cases where the APRN prescribed controlled substances. Originating Statute and Regulations: [CSR: 334.104.3\(9\)](#), RSMo, and [20 CSR 22004.200\(4\)\(E\)](#)
- One Month Onboarding Waiver: Waives the requirement that the APRN practice with the collaborating physician continuously present for at least one-month. Originating Statute and Regulations: [334.104.9](#), RSMo, and [20 CSR 22004.200\(2\)\(C\)](#)

Waivers for Nursing Permits, Licensure and Exams:

- Graduate Exempted Practice Extension: Allows graduate nurse to practice after graduation pending results of first licensing exam or 90 days after graduation. Originating Statute and Regulations: [335.081\(6\)\(b\)](#) and [20 CSR 22004.020\(1\)\(G\)](#)
- Transcript/Marksheet Waiver: Waives applicant from having to have a copy of their transcript/marksheet. Originating Regulation: [20 CSR 22004.020\(3\)\(H\)](#)
- Temporary Permits: Allows for automatic extension of any unexpired temporary nursing permit for an additional 6 months. Originating Regulation: [20 CSR 2200-4.020\(6\)](#)
- Additional Info: Can be found on the [Missouri Board of Nursing](#) Web site or by clicking [here](#).
